Learn How AI Can Improve Your Business Processes and Accelerate Growth

Join us for CEO networking followed by a keynote presentation by recognized AI expert, Dr. Achin Bhowmik, CTO & EVP, Starkey, focused on taking the mystery out of key AI technologies we see transforming mid-market businesses. Your North Star Executive Network hosts will also be ready to answer specific AI-related questions. Some of the topics to be discussed include:

- AI today and what's coming
- Why integrating AI requires a plan
- Which functions benefit the most from AI today
- Exploring various AI uses
- How to get started with AI

Agenda

- 5:00 Networking
- 5:30 Keynote Speaker
- 6:15 Q&A
- 6:30 Networking
